

Children's personal items and belongings

Safeguarding and Welfare Requirement: Safety and Suitability of Premises, Environment and Equipment

Providers must take reasonable steps to ensure the safety of children, staff and others on the premises.

Health

The provider must promote the good health of children attending the setting.

Policy statement

At Bosco Nursery, we provide the necessities for children like food, water, baby wipes and emergency spare clothes.

We ask Parents to provide us with the following:

Nappies

Specific wipes (if required)

Specific creams (if required)

Pacifiers (if required)

Milk bottle (if required)

Water beaker

Spare clothes (at least 2 sets)

Weather appropriate accessories (Sun hat/cream, Winter hat, gloves etc)

These things should be supplied at the beginning of the week for that week in a bag given to staff when arriving at the nursery for their first session of the week.

This bag is hung in our designated area and is returned to you on your child's last session of the week to be replenished for the following week.

If we are running low on something (nappies, cream etc) we will inform you.

We keep bottles and beakers on site and wash/sterilise them systematically, ready for their next use.

It is important that you do not put any food or drink/unnecessary items in your child's nursery bag. Please make sure you check the contents before bringing the bag into nursery.

Bags will be checked on arrival and any items not permitted will be removed and given back to you.
